THE PROPERTY DETAILS

Calling all lovers of simple elegance and historic charm! This property is for YOU! Retaining its historic charm with modern amenities, this 5 bedrooms (possible 6th on main level) 4 full bath house offers 3500sq ft of finished living space, not leaving much to be desired (quite the accomplishment for a house originally built in the 1850s!.) While clear additions to the house have been made over the years, the house retains excellent flow

with large functional living spaces. Add in the 2 car detached garage, original Summer Kitchen (one of the only remaining in Macon County!) partially fenced yard and we've only touched surface on what this house has to offer. New paint throughout, updated kitchen, replacement windows, newer HVAC; there's too much to list here and we've not even touch on the history! Contact your agent for a showing!
